Q Could this property be divided in kind among these numerous heirs without loss and injury?

A No, sir, that would be impossible, because, as I have described the property, the only possible way to get their respective interests out of it is to have it sold by decree of the Court and the proceeds divided among them according to their respective rights and interests.

Q What in your judgment is this property worth?

A This property is worth, in my judgment, about \$1500. I don't think it will bring any more.

To the Gen. Int.
